

## Building America Solution Center Submission Form

Use this form to submit content to the Building America Solution Center. See the [Solution Center](#) for criteria used in selecting content. Please email form and files to [basc@pnnl.gov](mailto:basc@pnnl.gov)

Name: \_\_\_\_\_

Email: \_\_\_\_\_

Telephone: \_\_\_\_\_

Organization: \_\_\_\_\_

Address: \_\_\_\_\_

### Photo, Images, CAD, and Video Files

Please fill in the information in the table below for each file submitted, replacing the three examples provided. For images that have been used in a publication, please include a citation. For unpublished images, please indicate a desired photo credit. Remember to include a signed copyright permission form giving DOE permission to make your photo, drawing, or video publically available. For images and CAD files, please email image files with this form and the completed copyright permission form. For videos, please provide a url to the video location (e.g., on YouTube or your company website).

Type	File Name	Proposed Caption	Citation or Credit
Example: CAD	AdvFraming2ft_GBA_2013.dwg, .pdf, .jpg	The home's wall studs and windows are aligned on a 2-foot grid.	Green Building Advisor. 2013. Building Plans for Advanced Framing, <a href="http://www.greenbuildingadvisor.com/cad/building-plans-advanced-framing">http://www.greenbuildingadvisor.com/cad/building-plans-advanced-framing</a>
Example: Photo	Airsealcomwall-1_Smith_2014.jpg	All wood-to-wood seams are sealed to provide air sealing at The common wall between dwelling units.	Source: Smith Engineering. 2014. Unpublished.
Example: Photo	Airsealgarage-4_CAA_2012.jpg	Right-Air barrier is present between garage and floor system [For right or wrong images, start the caption with "Right-" or "Wrong-" and say what is correct or incorrect.]	Jones, JA. 2012. <i>Healthier Homes</i> , Clean Air Association, <a href="http://theassociationswebsite.org">theassociationswebsite.org</a>

### Documents

Please list documents including file name, url, and full reference citation.

File Name	Link (URL)	Citation
Example1.pdf	<a href="http://www.example.com">www.example.com</a>	Full title, author, author affiliation, publisher, date published, proceedings title or journal name, volume, and issue number

Thank you for sharing your knowledge with us and the greater building science community!
